

# Buffalo Gap High School Sportsman Club

## What is The Sportsman Club?

The Buffalo Gap High School Sportsman Club is an organization of people, mainly parents of the student-athletes, who work together to help support the athletic program at the school. This support is achieved by raising funds through various activities.

## How does The Sportsman Club raise money?

- Personal and business donations
- Concession stand profits
- Baseball field advertising signs
- Chicken barbeques
- 50/50 raffles
- T-Shirt sales

## What is The Sportsman Club's mission?

The Club desires to help the Buffalo Gap athletic department provide the student-athletes with the best possible chance for success and then recognize them for their achievements.

## Why is The Sportsman Club needed?

County funding for athletics is not nearly as much as some may think and much of the gate proceeds must be used to cover the cost for officials, etc. Consequently, the teams need some supplemental help when it comes to providing uniforms, practice and training equipment, etc. Also, The Sportsman Club feels it is important to support the student-athletes through various recognition programs.

## Why are you needed?

- The Club needs people to help man the concessions stands. Ideally, we would like help from across all sports, so those whose child is not playing can work allowing those with a child participating to be a spectator.
- The Club needs your ideas and leadership to develop additional fund raising opportunities.
- The Club needs your help in recruiting more members. "The more, the merrier" and the more we can accomplish for the student-athletes.

## How can you become a member?

Simply contact a current club officer or member and they will help you get involved in a project. Also, you are encouraged to attend The Club's monthly meeting and help shape the direction of The Club. Meeting attendance and payment of dues (currently \$3.00 annually) allows you to become a voting member.

## Meeting Info

**Day:** The first Monday of each month (except July)

**Time:** 7:00 p.m.

**Where:** The Buffalo Gap Media Center

**Note:** If you have questions contact one of the officers, the school office, or the website.
