# Floriculture

Welcome to VCTC Horticulture! I am looking forward to working with each of you this school year. This 18-week course is a fun, "hands-on" course designed to help you develop a basic knowledge of floral design and floriculture principals.

### Student Expectations:

- 1) Students should be to class on time and ready to work everyday.
- 2) Students will show respect for classmates, teachers and school property at all times in the agriculture shop and classroom.
- 3) Students are responsible for making up missed work after an absence.

### Student Progress:

Exemplary/Exceeds Standard	A	A variety of assessments such as projects, lab demonstrations, oral reports, student portfolios; as well as, traditional tests and quizzes will be used to determine student progress.
Proficient/Meets Standard	B	
Developing/Approaching Standard	C	
Beginning/Well-Below Standard	D	
Insufficient work shown	F	

*Industry Based Credential awarded through this course:*

*NOCTI Greenhouse/Floriculture Exam, Private Pesticide Applicators License*

Mrs. Beery will be using the Remind app to communicate with students regarding class reminders and updates. Parents are welcome to join our class.

The number is: 81010. Text this message: @fgbdh3

**As a member of the RHS Agriscience Class, I agree to follow the expectations listed above. I agree to respect and follow all safety rules, and agree to follow directions at all times. I understand that a failure to follow class rules or safety procedures could result in my being sent out of class, and a conference with my parent/guardian will be requested.**
