SADD: Students-Against Destructive Decisions

Mrs. Myers and Mr. Cullen are excited to announce that SADD's mission is to "provide students with the best prevention and intervention tools possible to deal with issues of underage drinking, other drug use, impaired driving, and other destructive decisions". We will be emphasizing all aspects of a healthy lifestyle, from saying "no" to substance abuse, to learning how to take care of yourself in a stressful world. There will be plenty of opportunities for service to peers and within the school for club members, as well as lots of fun activities! This club will meet every month. Parental and community involvement is welcome and encouraged as well. Contact Mrs. Myers at 886-4286 or jmyers@augusta.k12.va.us.

National Honor Society

2012 Induction News: The National Honor Society will hold its annual induction ceremony in October. Any junior or senior with at least a 3.5 GPA, who demonstrates outstanding leadership, service, and character, may obtain a Student Activity Information Form from Mrs. Jordan. This form must be completed and submitted with a cover letter no later than 3:30 pm. on Friday, September 28th, 2012 if a student wishes to be considered for membership.

Hornet Newsletters for 12-13

This edition of the Hornet Newsletter will be the only edition that will be mailed home to parents. The remaining editions will be posted on our webpage under Hornet News. Parents who wish to have a published edition may pick up hardcopies in the main office upon request. Upcoming electronic editions will be posted on our webpage in October, November, February and April.

It's Academic

Tutoring

Tutoring will be available on a limited schedule due to budget cuts. Tutoring dates will be posted on our webpage at a later date.

Report Cards

Report cards are distributed every 6 weeks and Progress Reports are distributed at the interim. All teachers distribute progress reports during class. D/F progress reports will be distributed directly to the students and the progress reports will not be mailed home. Check the Hornet News for the dates.

Cell Phones/iPods & other electronic devices

Cell phones are not allowed in school. We have discovered through experience that students have great difficulty making wise choices regarding the use of their devices. Understanding that families rely on cell phone communication for safety reasons, we allow students to carry phones and use them **after school hours**. If we see them during school hours, phones will be confiscated, and parents will be asked to pick them up from the office.

1st Offense: Phone or other device is confiscated and student receives warning.

2nd Offense: Phone or other device is confiscated and student receives 3 days out-of-school suspension (OSS). **Use of any electronic filming device:** 5 days out-of-school suspension (OSS)

Fees

The list of fees for this school year is included in this issue. Schedules may be picked up as fees are paid starting on **Aug. 8th**. The office will be open daily from 8:30 AM to 4:00 PM.

Dress Code

The dress code for school is included in the WMHS Supplement and a power point can be viewed at our website. Please encourage your student to dress for success and not make fashion choices that are inappropriate for the school setting. The major change with the new dress code policy will begin the first day of school: shirts and blouses must be constructed to cover the top of the shoulder. Tops with a 2" to 3" straps are too small and not appropriate for school. Males can not wear tank tops unless worn with another shirt. Necklines cannot be lower than a straight line from the top of the underarm across the chest to opposite underarm.

Honor Code

The WMHS Honor Code is the cornerstone of our discipline code. Students pledge not to lie, cheat, or steal. Those violating this pledge are appropriately disciplined. Students and parents are asked to sign this Honor Code indicating their support of our efforts to ensure an orderly environment based on trust and honorable conduct.

Attendance Regular prompt attendance at school is the first step towards insuring academic success. Please reference the WMHS Supplement for specific attendance procedures.

Displaying Affection

Holding hands is considered to be an appropriate display of affection between students. All other forms of physical touching are not acceptable.

STUDENT SCHEDULES

Schedules will be ready for students on Aug. 8th, and will be released to students when fees are paid (Please see section, **School Fees**, for dates, times, and costs). Students who cannot get their schedules early will get them in homeroom the first day of school. Homeroom assignments will be posted on the walls near the Guidance Department.

Students are reminded that their printed schedule reflects their schedules for both first and second semesters. If you need assistance reading your schedules, the secretaries will be glad to help you.

Student schedules are arranged based on graduation requirements and elective choices reflecting student's career pathways. Conflicts in scheduling may result in students being assigned to their alternate choices in elective classes. All students make alternate course selections at the time of registration and these choices are honored, if possible. Forms for requesting schedule changes will be available in homeroom on the opening day of school. Counselors will see students as quickly as possible, but students must follow their printed schedules until a change is approved by a counselor.

SCHOOL SUPPLIES

Each student is asked to purchase two three-ring binder notebooks. Please have these with you on your first day of school.

SCHOOL FEES

The fee structure adopted for Augusta County Public Schools for the 2012-13 school year is included in this issue.

Fees must be paid before schedules are released. If your student still owes fees or fines from last year, that total will be added to this year's charges. Partial payment schedules can be arranged with the bookkeeper, Ms. Carter. There will be no fee reimbursement when a student transfers after the beginning of a semester, sorry. School fees may be paid during the following dates and times in WMHS office.

Athletic News

*FROM THE ATHLETIC DIRECTOR
FALL 2012*

Hello, it is hard to believe that another school year will soon be here. Last year we enjoyed an outstanding season back in Single A. With our success Wilson finished 3rd in the state in the VHSL Wells Fargo Cup. This cup is based on post season success. Our coaches are looking forward to another exciting and very competitive year in the Shenandoah District, arguably one of the toughest districts in the state. We look forward to seeing everyone at the games.

Just a reminder of some important Augusta County policies:

- 1) There is a \$25.00 Activity fee each time an athlete makes a team. This fee will be due by Meet the Team Night of each season.**
- 2) All athletes are required to have a Doctor's physical to attend any Wilson athletic activity starting July 1, 2012. (That includes all out of season open gyms.)**

Admission prices for the Shenandoah District will remain the same as last year, along with starting times. We still offer many pass plans and the very popular punch card. You can visit our web page for details.

Teamwork is the Only Way

It is an honor to serve as the athletic director at Wilson Memorial High School. With each passing year, I become more amazed by the men and women who choose to give their time to coach our student-athletes. Most are full-time teachers, while others are community members who have full-time jobs outside the school. After working all day in their primary jobs, these individuals stay extra hours on practice days, and even longer on game days, to provide our student-athletes a chance to compete and enjoy the athletic experience. Our coaches also contribute many off-season hours to ensure the continual improvement of our athletes' skills.

Today's college and professional coaches make incredible salaries. Coaching is their only job, and they are very good at what they do. But even at those levels, we (the spectators) sit in the stands (and in front of our televisions) and think we have more knowledge than these talented men and women who do nothing but coach for a living. In high school, coaching is not a primary job. High school coaches are motivated by what they teach their student-athletes, not by the small stipends they receive. Often that stipend does not cover what coaches spend from their own pockets to support their teams.

As WMHS athletic director, I expect specific things from our coaches. I expect them to treat each student-athlete fairly and with an even hand. Conscientious supervision and their best efforts at all times are expected. We trust that our coaches will learn and grow just as well as our student-athletes.

Each year it becomes more and more difficult to find teachers or community members willing to give up their time to coach one of our teams. We should treat our coaches with the same respect we wish for ourselves. A growing concern is the collection of attacks made about our coaches on various internet blog sites. Twenty years ago, you knew who your critics were because they looked you in the eye when they had a complaint. Today, our coaches' personal character and abilities are attacked on these blogs...with no signature in sight. This weakens us..... and to those that read these attacks, it

appears that we are divided. No one benefits from this. If you have a concern, come to the administration – not the internet.

Not only should we support Wilson's teams and coaches, but we should also extend our respect to game officials, as well as our opposing coaches and players. Without them, there would be no game.

As you enjoy high school athletic events, please take a moment to remember all of those who give their time and effort to make the event possible. Please think before you speak. Sitting next to you might be the mother or father, husband or wife, sister or brother, or daughter or son of the player, coach or official you are lashing with your words. Let us put ourselves in their shoes and always remain positive with our words and actions.

Let's seek to make sportsmanship the winner at every WMHS game.

GO HORNETS!
