Congratulations to the WMHS Debate Team!

WMHS: On Thursday, 11/5, twenty-five of your fellow students, twenty of them novices, debated in the Shenandoah Valley Forensics League Tournament at Turner Ashby High School. Several first-time debaters like Ryan Blosser, Emily Kellington and Ashleigh Harris won matches, while new congress debaters like Mary Alexander and Justin McLawhorn proved just how good they really are. Page Bowles, in his first tournament ever tied for sixth place and Joe Demarchi managed a nearly perfect score in the Lincoln Douglas JV category. ART NEWS

Art Students had a great time in Washington, DC, on Friday, 10/9. They visited the National Gallery of Art, the Hirshhorn Museum & Sculpture Garden, and the Torpedo Factory (converted artists' studios). They completed all written critiques at each of their destinations and stopped for dinner at Fair Oaks Mall. It was a very successful educational field trip. Now, the art students and members of the Art Club and the National Art Honor Society are looking forward to our spring art field trip to the Taubman Museum of Art in Roanoke, Virginia. Keep Friday, 4/30 in mind and get a seat on the bus!

The National Art Honor Society enjoyed a workshop on Thursday, 10/15, featuring the artwork of Dale Chihuly, the world's greatest glass artist. They viewed a quick video on the Tacoma, Washington native and created a faux glass sculpture, using Duralur plastic and glass paint. They had fun forming the plastic and painting interesting designs on the sculpture. We also nominated and voted on our NAHS officers and they are:

-  **President:** Grant Davis
-  **Vice-President:** Cassie Engstrom
-  **Secretary/Treasurer:** Bethany Davis

Congratulations to them!

The artwork of Brandon Raines, Hunter Graham, and Paige Ramsey is still on display in the gallery at Blue Ridge Community College. Their work was accepted into the high school/college art exhibit, "Found Materials." The artwork was created with recycled materials and addressed various issues, such as, health care, social/political issues, etc. The exhibit runs through Friday, 11/13. Congratulations to them!!

The art students were excited about the Fine Arts Department event, Trash Bash II. This event was held on Thursday, 11/12. They are generating ideas for their recycled art projects and gathering supplies. The Trash Bash was very successful and the Band, Choral, and Drama performances were great as well.

Art Club members are also off to a good start, as we continue to plan out the upcoming events of the year. We have several fundraising activities being set into place, and are already excited about our "tie-dye day" which will take place during our next club meeting in November. Art Club is also honored to announce this year's Art Club Officers:

-  **President:** Danielle Adams
-  **Vice-President:** Brandon Raines
-  **Secretary:** Angelica Puzio
-  **Treasurer:** Summer Via
-  **Reporter:** Ashleigh Huff

“Metallic Ice” Homecoming 2009 A Success!

This year’s theme “Metallic Ice” was the focus during the week of homecoming activities. Students decorated spirit banners during the week and the Freshman class won the banner-decorating contest. Homecoming events included a variety of dress-up days including country day, decade day, twin day, favorite team day and pajama/crazy hair day concluding with Green and White spirit day. The annual powder-puff football game was won by the Senior-Freshman team. Friday night, classes and clubs participated in the Homecoming parade showing off their Hornet Pride. The SCA hosted a super successful dance Saturday night and students dressed in their finest had the halls and walls rockin’.

The SCA would like to thank parents and guardians for their support of our students during all of the homecoming events!

Math Honor Society is always busy!

The service project that MHS students have undertaken this year is working with the SPCA. Between collecting supplies and creating “give-away” baggies for new owners of adopted cats and dogs, members also learn about animal concerns and issues in our community. At the club meeting in November, members created and decorated bags for new owners. Our hope is to give these animals a great start in their new homes. Each bag contains food, treats, toys, and a food/water bowl. Our current members also shared and learned facts about the SPCA as well.

On Wednesday, 12/9, we will have an evening meeting from 6:30-8:30 PM in Room 58. MHS members are asked to come join us for a special seminar on math presented by Mr. Buczyna. Mr. Buczyna has a degree in physics from Berry College in Mount Berry, Georgia. He received his master in physics and astronomy from the University of Virginia as a Jefferson Fellow. Last year, he taught dual-enrollment physics at the Shenandoah Valley Governor’s School. This year he is teaching advanced physics at Albemarle High School. Please come out for this exciting event!

An ongoing service project here at WMHS is the after school tutoring program that several MHS students participate in on a regular basis. Some members work one-on-one, while others work with small groups of students. Any members interested in helping are asked to stay on Tuesday or Thursday after school with Mrs. Hite to assist.

The WMHS 2009 Talent Show is almost here!

The date is Friday, 12/4. Go mark your calendar NOW! Sign-up sheets to be one of the acts are outside Sr. Biggs' & Mr. Singleton's rooms. Auditions will be held on Thursday, 11/19 thru Tuesday, 11/24. An audition MUST be held before you will be allowed to participate. Please see Mr. Biggs or Mr. Singleton with questions.

FFA Needs Your Help

The Beverley Manor Middle School FFA Chapter needs everyone's help! They are participating in a project sponsored by National FFA Alumni and Campbell's Soup Company. These two organizations have chosen 10 barns across the United States to help them with a project to educate the American public about where food comes from. We are asking that you go to http://www.helpgrowyoursoup.com/barn_rollinghills.aspx and click on the link at the top of the page that says "Vote for This Barn." You can vote daily. The five barns that get the most votes will be repainted, preserved and used as educational tools in promoting American Agriculture. Voting will take place until January 5, 2010.

Dear Business Owner/Community Member,

Wilson Memorial High School's "MARCH TEAM" is making plans to have a "March into Careers" Month starting on Career Day, March 4, 2010 and lasting throughout the entire month of March. We would like you to join us for this special event in whatever capacity you feel comfortable in participating. We hope to have speakers who will share their career pathways with our student population; career booths set up within our school building; and hands-on activities that will allow the students to participate in various career choices.

That is where you come in. It may seem early, but we all know from experience that it is never too early to plan for such an event. As educators and business owners, we want our youth to make connections within our communities and observe positive role models. We want them to become informed, productive members of our society. What better way to accomplish this goal than by giving them an opportunity to spend a day with you, to gain knowledge about your business, your career path, and the choices you made that have brought you to where you are today?

We hope you will consider one of the following options and return the attached form to:

To Whom It May Concern:

The Student Council Association of Wilson Memorial High School annually delivers turkey dinners on Thanksgiving morning to underprivileged families around the area. This year's event hopes to provide dinners for approximately 450 families in Staunton, Waynesboro, and Augusta County. This event is made possible by contributions received from area families, churches, community organizations, businesses, fundraisers, and school club and class donations. Last year the SCA was able to feed 400 families. However, the list we received contained the names of over 500 families in need.

This year our goal is to feed more families by increasing our sponsor donations. In order to accomplish our goal, we are asking for assistance from families, churches, organizations, and businesses in our community. The cost to feed a family is approximately \$35.00. Any donation is helpful. If you or your group is interested in donating, we need a commitment as soon as possible. We need to estimate how many families we will be able to feed. Along with monetary donations, your family, church or organization can send a group out to help deliver dinners on Thanksgiving morning.

If you have any questions contact Angela Larner at WMHS, (540) 886-4286 or by email: alarner@augusta.k12.va.us.

Thank you,

Angela Y. Larner
