

## Augusta County Elementary Art Curriculum Helpful Tips for the Elementary Art Teacher

- Allow time for cleanup....watch the clock.
- Plan an activity for extra time at the end of class.
- Think ahead, when planning lessons, about available space for drying art work.
- Organize materials at the beginning of the day by grade level.
- Plan a brief lesson on:
  - Using the glue bottle
  - Wringing out sponges or clothes to wipe tables
  - Washing paint brushes
  - Holding scissors
  - Sharpening pencils
  - How to use a ruler or straight edge
- **Be consistent** with your SWD plan or make a discipline plan that suits you and your classroom.
- Know your Student Medical Alerts and SPED Accommodations.
